

Online Bible Study Student

We would like to encourage you to continue to interact with the Spiritual Formation S3 booklet. (If you are just joining us this Sunday, we would love for you to first complete last Sunday's "Seeker" devotional study, which can be found on the previous page). If you do not have a copy of the booklet from Sunday, please download the pdf version by clicking the button on the main current series (S3) page.

Jesus is our Teacher, and we are his students. His disciples. In your booklet, turn to the 'Student' section, and take a look at Dallas Willard's quote on the left-hand page. Willard offers us insight into what it means to be a disciple of Christ. He writes, "Disciples devoted themselves to becoming like Christ. The disciple is one who, intent upon becoming Christlike and so dwelling in His 'faith and practice,' systemically and progressively rearranges his affairs to that end. By these actions, even today, one who enrolls in Christ's training becomes His pupil or disciple."

Read through the quote again. Are you *devoted to becoming like Christ*? Are you *intent on becoming Christ-like*? What would it look like for you to *systematically and progressively arrange your affairs to that end*? Wow. God's heart for us is to become fully His. And all He asks is that we follow Him and learn from Him, the ultimate Teacher.

Read, Matthew 11:28-30, and then spend some time working through the *So What* section, and the *Dig Deeper* section on the student pages. Before you conclude your study time, spend a few moments thanking God for being the ultimate Teacher, and for His easy yoke.
