

FAQ's For Respite Night

What is respite night?

Parents can drop off their child(ren) with special needs (up to age 21) along with their siblings (through age 13), while background checked volunteers care for them. Kids will enjoy a variety of activities throughout the evening. Pre-registration is required.

What will the children do?

Kids will get to enjoy a variety of activities that include bounce houses, games and activities. We will also provide a quiet room for kids that need a break!

Will dinner be served?

Yes! A pizza dinner will be served along with water. We will do our best to accommodate allergies! Snacks such as goldfish and rice krispy treats will also be served. Final details about food will be sent the week of the event.

How does check-in work?

You will be greeted and directed by volunteers in the parking lot. Our check-in team will be waiting to help you inside the café entrance starting at 5:30. This will be the same place that you will pick up your child at 8:30.

Will there be a nurse on site?

Yes, there will be a nurse on site to assist children with emergencies or their plan of care.
