

THE MYSTERY DOCTOR

One person is selected as "The Doctor," and they leave the room while the rest of the people at the table agree on a mysterious illness (e.g., they think they are cats, they can only sing lyrics to songs, they wink every time they talk, etc.). When "The Doctor" returns, she/he asks questions of the "patients" who answer according to their illness, but without saying what it is. The game ends when "The Doctor" identifies the mysterious disease (or close enough to it) or when they have asked 20 questions, whichever comes first. Then, someone else becomes "The Doctor."

BUILD A CHURCH

Create a church together using blocks, Legos, or other building materials. Think about the different rooms a church may have and build those rooms. Once your church building is complete, add people to it! Who are you adding? What are they doing in the church? Is there a pastor? Is there a teacher? Is someone changing a baby's diaper? How do you see the body of Christ reflected at our church?

Say: While we see the body of Christ reflected at North Metro Church every Sunday, the church isn't just a building. It is all Christians everywhere! The Holy Spirit moves through all people who acknowledge Jesus as their Lord and Savior. Once the Holy Spirit is in you, you can also serve as part of the body of Christ!

1 CORINTHIANS 12:12 (ESV)

"For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ."

Pray together as a family following the ACTS model of prayer, making sure to praise God for who He is and all He has done and will do in your family.

A: (ADORATION) Lord, we acknowledge that you...

C: (CONFESSION) We confess that we have sinned and need your forgiveness.

T: (THANKSGIVING) God, we thank you for...

S: (SUPPLICATION) We humbly ask that you...

Throughout the book of Acts, Jesus' disciples spread out and told the gospel to anyone who would listen! Peter, Barnabas, Stephen, John, and many others traveled, performed miracles, and learned that the good news of Jesus' birth, life, death, and resurrection is for everyone. Anyone who acknowledges that Jesus is the Lord of their life can be adopted into the family of Christ, even people who previously persecuted Christians like Paul. People constantly tried to stop the gospel from spreading. Authorities told Peter, John, and Stephen to stop telling others about Jesus, but they wouldn't stop even when they were arrested. They obeyed the King of Kings over the authority of anyone else. Can you think of a time when you had to choose between God's way and the world's way?
