Thanksgiving In Trials

This is a stand alone message by our friend, pastor
and guest speaker Gregg Sizemore.

“THANKSGIVING IN TRIALS”

Discussion Questions:

Here is the paradigm shift from Gregg's message:

It's NOT GOD WHY? But GOD WHAT?

It's NOT WHY ARE THESE TRIALS HAPPENING... BUT WHAT ARE YOU TRYING TO TEACH ME?

What stood out to you and what was impactful to you from the message?

Looking back:

In your journey with God, describe a season when everything seemed to be falling apart, but in 20/20 hindsight you see what God was doing?

Looking now:

What challenges in life are you facing right now?

Looking forward:

What can you discern in your current trials that God may be trying to teach you? Patience, Endurance, Faithfulness, Hope, Character?

Next Steps

- Pray** - God search my heart. Release any past or presence of frustration or confusion to Him.
- Meditate** on the goodness of God found in the Gospel of Jesus, your salvation. His life, His suffering, His resurrection.
- Encourage** and pray for one another.
