## Discussion Questions:

As we conclude this series called “What’s the point,” how has your view of Jesus’ church and its mission changed?

If someone asked you what the point of the church was, how would you respond?

What examples and stories can you share about how you have benefited from the church being the church?

### Read Matthew 28:18-20 and Acts 1:8.

Why is it important that Jesus starts out by saying that “all authority has been given to Him”?

What does it reveal about Jesus heart for the world that He commands His followers to go into the entire world?  
Why does it reveal about human nature that Jesus has to command His followers to “go”?

### Read Revelation 7:9-10.

What excites you about this picture of Heaven?

Despite all the opposition to the spread of the gospel, the picture on Heaven in Revelation 7 demonstrates that nothing can thwart the plans of God. How does that give you confidence in joining Jesus in His global movement?

What applications can you (and your family, and your small group) make from this message and from this series?

Looking back at this week's teaching and study, is there one thing you'd especially like to remember this week?

Do you have any prayer requests for your group?
